Rally to Read update...

Dear Rally Partner,

Thank you for your valued support in 2020, which has allowed the Rally to Read programme to continue across the provinces this year.

Because of your faithful contribution to our Rally to Read Programme we are able to implement the Rally 2021 programme. We are so grateful to have you on our side!

To kick start the year, the Rally books were delivered to all the Rally provinces in March - the delivery included the books needed for the year's programme, paper, stationery packs in certain provinces and other resources such as pens.

KZN Berg Rally deliveries

Western Cape resources delivered

Free State deliveries

Now we are once again looking forward to 2022 and making sure that we create more success stories such as those of Andile Ngobeni and Thandeka Msimango - two of the bright stars that benefitted from the Rally to Read programme in Mpumalanga.

Their stories are an inspiration for all the beneficiaries in the Rally programme and is a direct result of your continued support and contribution to the Rally programme.

We are keeping our base donation price the same for 2021 - R36 000. Any generous donation toward the Rally to Read programme will be greatly appreciated! We need to raise a minimum of R400 000 per province to implement a full programme in the schools in 2022.

Two of our current cluster of rally schools will be in their third and final year in 2022 and three provinces will start in new rally cycle of three years.

Please help us to make a difference by supporting us to continue our successful literacy programme: log on to www.rallytoread.org.za and pledge your support by clicking on the donate button! Alternatively, please email rallytoread@read.co.za to connect with us.

All the best,
The team from Rally to Read
